ORDER:

1. In the orders 1st read above, administrative approval was accorded to “Remodeling of Ganganala Project, Mogillipet (V), Mallur (M) of Karimnagar District under RIDF-XIII, for an amount of Rs. 923.00 Lakhs with SSR 2007-2008 to irrigate an ayacut of 4950 acres. Technical sanction was accorded for the same and as there was no response for the tender calls on the SSR Rates of 2007-2008 hence the estimate was recasted with SSR 2008-2009, duly restricting the amount to Administrative approval and even then there was no response for the tender calls.

2. In the reference 2nd read above, the Chief Engineer, Minor Irrigation has requested for permission to entrust the work to the contractor through committee on selection basis in terms of G.O Ms 94, I&CA (PW:CD) Department. dated 01.07.2003, and as RIDF programme is time bound, in the reference 3rd read above Government has accorded permission as requested.

3. In the references 4th read above, the Commissioner, Commisionerate of Tenders has recommended for entrustment of work to agency, M/s Satya Sai Infrastructure Pvt.Ltd, Warangal, who quoted least i.e., (+) 51% on ECV, among the 6 agencies which came forward to execute the work through committee on selection basis and requested to consider it as a special case, as the rationality of the premium quoted by the lowest bidder is exceeding the maximum limit of 5%. In the references 5th & 6th read above, the Chief Engineer, Minor Irrigation has recasted the estimate with SSR 2010-2011 to an amount of Rs. 1196.26 Lakhs, and the contracting agency has put in a representation stating that they are willing to offer further discount of 8% over the original quoted tender percentage (ie.,51%), thus the total excess percentage works out to 43% (51%-8%=43%) on ECV priced with SSR 2007-08 and subsequently works out to (+) 4.72% excess over the ECV of priced with SSR 2010-11., which is within the ceiling tender premium of (+) 5%, in terms of Government orders in force. Hence the Chief Engineer, Minor Irrigation has requested to meet the excess amount of Rs. 329.69 lakhs under Normal state plan and to consider the issue of letting out on selection basis to the lowest qualified bidder.
